

# Roman object challenge

Pictured are some Roman objects from the museum's permanent exhibition and a special exhibition called Villa.

Draw a line from each picture to the description of what it is and what it is used for. Answers are at the bottom of the page.

**A: Mortarium.**

Used for mashing up food.

**B: Flue.**

Part of a hypocaust (heating).

**C: Wall painting.**

Used to decorate a villa.

**D: Samian ware bowl.**

Glossy red bowl used for food.

**E: Colander.**

A type of sieve.

**F: Mosaic.**

Decoration made with cubes.

**G: Fibula brooch.**

Used to secure clothes.

**H: Oil lamp.**

Used for light at night.

Top row, from left to right: E, A, F, C. Bottom row, from left to right: G, B, H, D.
