

## Creative writing challenge: travel journal

Here's a picture of a framed piece of embroidery. The embroidered picture shows a scene of a windmill and a wagon. On the wagon is the inscription: "Newbury, Berks Common Stage". It is framed by a gilded wooden frame with an oval mount.

Imagine you're a passenger on the stagecoach or wagon. Write a travel journal describing the journey. You can research stagecoaches and accounts of peoples' journeys on them.
