Colour in the casket key

This is a very small Medieval casket key made from metal. The casket would probably contain important documents or valuables that needed to be kept safe. What treasures would you keep in a locked casket?

Using felt tip pens or pencils, colour in the casket key.

These activities have been created as part of the Learning & Participation programme at West Berkshire Museum and Shaw House. For more information about our family events please visit <u>http://www.westberkshireheritage.org/whats-on</u>
